## Swiss Donation & Transplant Association

The SDTA was founded in 2008 by the members of the Local Organizing Committee, with the benefits of the European Transplant Coordinators Organization (ETCO) congress in Geneva 2005, under the presidency of Prof. Peter Suter.

The association is registered in Geneva.

The goals of the association are to:

- Promote organ & tissue donation and transplantation in Switzerland.
- Encourage exchange between the health professionals implicated in organ & tissue donation and transplantation.
- Support educational projects

### Sponsors:

The Swiss Donation & Transplant Association wish to thank **Astellas Pharma**, **IGL**, **Novartis** and **Sanofi** for their support for this symposium.
